Welcome to our 1st Christmas Catalogue! I would like to introduce myself to you, my name is Rory Keating and I opened my first pharmacy in Newcastlewest in 2005 providing the town with it's first Pharmacy open 7 days a week. I decided to remain open until 8pm every weekday which proved popular with the public and very soon **Daarwood Pharmacy** had a very strong and loyal customer base.

In 2006, my former colleague Elizabeth O'Brien and I set up **Southside Pharmacy** in Roxboro, Limerick. Elizabeth now manages this Pharmacy. The business has grown from small beginnings due to the high level of customer service provided by Elizabeth and her team. **Ballycasey Pharmacy** opened in Shannon in 2008. We built this Pharmacy on the same positive aspects of the previous two: easy access with plenty of parking, great customer service, extended opening hours and good value for money.

In November 2012 **www.pharmacystore.ie** was launched as an on-line pharmacy that provided the public with a professional reliable service that has a personal touch. Customers can expect the very same level of customer care from the on-line store as they would in any of the Pharmacies. Pharmacy Store Ireland offers competitive prices and speedy, discreet delivery on all leading brands.

For convenience when you really need it, Daarwood Pharmacy in Newcastle West is open 7 days, 365 days a year including Christmas Day (see our full list of opening hours on page 15).

We are very grateful for the loyal custom we have enjoyed throughout the years and we thank you most sincerely for it. We wish you a Peaceful Christmas and every Health and Happiness for 2015.
